CERTIFICATE II IN AUTOMOTIVE VOCATIONAL PREPARATION

This program is a work ready pre-employment course designed to meet the needs of students wishing to pursue a career in the automotive industry through an apprenticeship or higher education.

COURSE AIMS

This program enables an individual with this qualification to demonstrate basic operational knowledge in a moderate range of automotive technologies and apply a defined range of skills appropriate to entry to the automotive industry.

CONTRIBUTION TO VCAL/VCE

VCAL: One credit towards a VCAL learning program is awarded on successful completion of 90 nominal hours of accredited VET curriculum.

VCE: Students who complete this program may be eligible for recognition of two or more units at units 1 & 2 level and a units 3 & 4 sequence (if available).

ATAR: This program does not have a study score and therefore cannot contribute towards the student's primary four. Where a units 3 & 4 sequence is available and satisfactorily completed, it may be counted as a 5th or 6th subject and contribute towards their ATAR (10% of the lowest study score of the primary four).

Please note: The student must already have English and three other fully scored VCE/VET subjects to create the primary four.
